# Holiday Homework (Class II)

As the summer sun beckons and the academic session takes a pause, it's the perfect time to slow down, reconnect and create beautiful memories with your child. To make the most of this well-deserved break, we have prepared a set of activities to spark curiosity, reinforce skills and encourage joyful learning- all within the comfort of home.

1. Practice one page English cursive writing in four line copy and one page Hindi writing in single line copy daily.
2. Read an English newspaper, story books etc., daily to enrich your reading skills.
3. Learn the tables from 8 to 15.

#### 4. Seed Germination Activity

- Put some wet cotton in a small bowl or container and place some seeds such as gram, moong or beans on it. Keep the cotton moist every day. Observe the changes for a few days and write your observations on a page.

#### 5. Photo Album Activity

- Make a photo album of yourself along with your family members and relatives. Paste their pictures, write their names and submit to your class teacher.

#### 6. Leaf Collection Activity

- Collect some leaves of any 5 medicinal plants and paste them in a scrap book with their names.

#### 7. Best Out of Waste Activity

- Make any one craft item by using waste materials such as old newspapers, plastic bottles, ice cream sticks, cardboard or bottle caps.

#### 8. Art and Craft (Paper Flower Cut-Outs)

Instructions:

1. Make 6 flower cut-outs using coloured paper.
2. Size of each flower: It should be big enough to cover your face.
3. Colours to use: Yellow, Orange, and White. Mix these three colours in each flower.
4. All 6 flowers should be of the same colour combination and same size.
5. Cut neatly and make the flowers attractive.

Note: This is a cutting and pasting activity. Do not draw the flowers
